To the Village Board  
Village of Cambridge, Illinois  
Cambridge, Illinois

In planning and performing our audit of the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Cambridge, Illinois (the “Village”) as of and for the year ended April 30, 2018, in accordance with auditing standards generally accepted in the United States of America, we considered the Village of Cambridge, Illinois’ internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Village of Cambridge, Illinois’ internal control. Accordingly, we do not express an opinion on the effectiveness of the Village of Cambridge, Illinois’ internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Village’s financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, Village Board, and others within the Village of Cambridge, Illinois, and is not intended to be and should not be used by anyone other than these specified parties.
